

## SBA STUDENT FEEDBACK FORM (example)

**SUBJECT: MATHEMATICS**

**STUDENT NAME: A**

Their performance was:

<b>Assessment Objective/Topic</b>	<b>Level</b>
Number	Excellent
Shape Space and Measure	Good
Algebra.....	Poor
Data Handling	Good
<b>Overall</b>	<b>Good</b>

### **To Improve:**

Student A did well in data handling but to improve needs to practice drawing graphs accurately, concentrating on plotting points carefully and adding appropriate labels to axes.

In algebra they need to practice solving simple linear equations.
